

## **Job Description: Ski & Snowboard Boot Fitting Technician**

Kittredge Sports in Mammoth Lakes California the premier Ski & Sport Shop in Mammoth with a large selection of Recreational and Race equipment available. Kittredge Sports is seeking qualified boot fitting Technicians to fill 2 positions for the winter of 19/20.

These jobs pay hourly based on experience, and may have some other benefits depending on experience. You will be working alongside veteran, experienced tech's that have been at the shop for years and have a vast amount of experience. We offer many different types of foot beds to accommodate the customer needs along with a large boot selection.

We are willing to do some training but experience in boot fitting and making of foot beds is a plus. Past sales and technical experience in ski equipment is also a plus. We are known as a high end store and sell what best fits the customers' needs from the beginner to the seasoned Racer.

Currently we have the latest technology in our Repair shop and a separate boot fitting shop with all the tools and machines for the jobs. Other machinery in the store include a custom hot box for skis, Montana and Wintersteiger tuning machines.

This job requires a personable and positive attitude with customers, the ability to problem solve boot fitting issues along with ski recommendations for customers during their vacation.
